Award-winning fish sauce

## 01 Heritage-meets award-winning taste

Since 1951, Son Fish Sauce has been producing the finest fish sauce on the southwest coast of Vietnam. Our time-honoured tradition combines wild-caught anchovies with pure sea salt, aged to perfection in wooden barrels for a full year. The result is a fish sauce with an unparalleled, rich, and complex flavour, boasting a beautiful golden hue.

Unprocessed and undiluted, Son Fish Sauce is a true culinary treasure. Celebrated both in Vietnam and abroad, it has won numerous gold medals, a testament to its exceptional quality.

## 02 Versatility at its finest

Son Fish Sauce is one of the most versatile fish sauces available. It is perfect for raw consumption and as an optimal seasoning for any Vietnamese home-style cooking. Our fish sauce can enhance the flavours of any dish with its alluring umami, earthy, and savoury notes, making it an essential ingredient in your kitchen.

I love Son Fish Sauce because it's got only 2 ingredients: anchovies and salt... No additives, no preservatives. It's the Grand Cru of fish sauce!
